

(Junior) Motion Designer

(M/W/D)

RCKT.

We are looking for a talented (Junior) Motion Designer (m/f/d) whose heart beats for moving images and who sees brands as an entity in motion. As motion designer at RCKT, you will work on various tasks and operate independently within our design and interaction departments. You will be joining an international team with diverse backgrounds and skill sets. You will enjoy a workspace that enables personal development and professional exchange on every step of the way. Part-time or freelancing are both valid options when it comes to working with us.

The tasks

- Working closely with other creatives across departments in the company, such as designers, producers and consultants.
- Supporting our team with a wide set of motion design and video editing skills for our brand and interaction design teams.
- Developing and executing a project from brief to delivery with attention to detail.

Your profile

- At least 1-2 years experience in motion design and graphic design/illustration.
- Skilled user of After Effects and Premiere Pro CC, Illustrator, Photoshop and InDesign, Sketch is a plus.
- Good understanding of creating videos from still and moving assets.
- Solid understanding of typography, movement and layout.
- A great sense of design, aesthetics and the latest trends.
- A developed sense of ownership and strong belief in the value of collaboration.
- Very good English skills, German is a plus.
- Experience or interest in preparing animations for execution in code (HTML & CSS) is a plus.
- Cinema 4D or similar 3D software animation knowledge is a plus.

What we offer you

- You get to be a part of a great, international team which works on exciting projects for prestigious clients in various industries.
- We can offer you both the chance to work on projects for emerging startups as well as for well-established companies.
- With us you can expect a digital and friendly work culture that values skills and personality above rigid hierarchies.
- Here you have the chance to develop your skills further and to grow personally in a highly dynamic environment.
- With our beautiful office in the heart of Berlin, you'll have the perfect environment to develop your creative ideas.

Who we are

For us at RCKT, innovation and creativity belong together. We are founders, communicators, creative people and strategists who give an individual answer to every challenge. This is how we make brands and companies successful in the digital age.
